Introduction

This policy is written with due regard to the DfE guidance 'Behaviour and Discipline in Colleges' 2016.

It recognises the duty of proprietors under Section 7 of the Education (Independent College Standards) Regulations to ensure that arrangements are made to Safeguard and promote the welfare of children.

Headteachers and their staff have the authority to discipline pupils for their behaviour in College and, in some circumstances, outside of College. This includes the authority to impose sanctions appropriate to the age and action of the child, including detaining children beyond the College day and confiscation of property, fuller details of sanctions employed by the College and their application are included in this policy.

Teachers may discipline pupils for non-criminal bad behaviour off-site, under the following circumstances (from DfE guidance, January 2016)

- misbehaviour when the pupil is:
 - taking part in any College-organised or College-related activity or
 - travelling to or from College
 - in some other way identifiable as a pupil at the College.
- or misbehaviour at any time, whether or not the conditions above apply, that:
 - could have repercussions for the orderly running of the College or
 - poses a threat to another pupil or member of the public or
 - could adversely affect the reputation of the College.

Confiscation

Teachers are authorised to confiscate items which pupils should not have in their possession at College. In such circumstances, staff may follow one of the following options in relation to the confiscated items;

- returning items to pupils or parents after a given period (where possible at the end of the College day)
 - for example, items banned from College, such as money, mobile phones, specific toys
- destroying items
 - for example, pornography, tobacco, alcohol
- handing items to the police
 - for example, banned substances, knives and weapons, stolen items

In this context, the College has regard to the DfE guidance "Screening, Searching and Confiscation – advice for head teachers, staff and governing bodies".

Consistency

The College is committed to achieving a consistent response in the management of behaviour, this is achieved through

- Staff training, support and development
- The induction of new staff
- Monitoring of consistency in behaviour management by the Principal/SMT
- Clear and consistent boundaries for classroom management developed in conjunction with children
- Monitoring of logs of administration of disciplinary sanctions

General Approaches to behaviour management

The goal of this policy is to support children in developing the self-awareness and self-discipline that allows them to recognise positive behaviour and moderate misbehaviour independently and is applicable to all students in the College.

The College undertakes the following in the context of its policy, acknowledging its legal duties, in respect of the Children Act 1989, Equality Act 2010 and Special Needs requirements, to

- Reject any form of corporal punishment, including the threat of corporal punishment. Furthermore, children should not be subjected to sanction that may adversely affect their well-being.
- Work in partnership with parents to ensure that
 - they are kept informed about disciplinary issues and rewards for good behaviour relating to their child
 - they can work together with the College to achieve improvements in their child's behaviour when expected standards are not met.
- Ensure the safeguarding of and respect for pupils with SEND
- Make reasonable adjustments in behaviour management in respect of the understanding and capabilities of pupils with SEND
- Ensure any sanction does not breach any other legislation and is reasonable in all the circumstances.
- Consider whether the behaviour is related to a potential safeguarding issue, that may result in significant harm to the pupil. In such a situation, the College will make reference to the Safeguarding Policy.
- Consider if behaviour issues are the consequence of an unmet educational or other need; requiring a behaviour review or possible multi-agency or specialist assessment, with reference to the SEN policy

The College aims to provide a safe and secure environment for all. It relies on its students to display high standards of behaviour based on respect for others and for the College's buildings and resources. As students' progress through the College they are expected to take increasing responsibility for self-discipline. The College has a number of documents and procedures which underpin its approach to behaviour management, clarifying expectations of individual students and providing the framework for staff to reward and discipline students fairly and consistently. These include the following:

Ealing Independent College Behaviour Policy

- Relevant College Rules/Student Induction Handbook;
- The Student Handbook/Contract;
- ICT Acceptable Use and Social Media Policy for Students
- E safety letter to parents (induction)
- Enrolment Form Terms and Conditions/Parent Contract;

- Procedures for Rewards (Gold cards) and Sanctions (Red cards)
- The College's Anti-Bullying Policy;
- The College's Alcohol, Drugs and Other Substance Policy;
- Procedures of Serious Disciplinary Incidents/Exclusion Policy.

These are reviewed regularly to ensure that they are clear and appropriate and that they do not discriminate against individuals or groups of students. The College will regularly communicate its expectations to the whole community including students, staff and parents/guardians.

Malicious accusations

On the rare occasions where it can be proved that the allegation has deliberately been invented or is malicious the Principal will consider whether to take disciplinary action in accordance with the College's Behaviour Policy and Sanctions Policy, this includes the possibility of temporary or permanent exclusion. Further actions in relation to malicious allegations can be found in in the Safeguarding Policy

It will include provision for supporting students who consistently fail to make academic progress or who find it difficult to display appropriate standards of behaviour and ensuring effective communication with parents in such circumstances.

The College has daily registration for all students so that form teachers/personal tutors are able to meet with their tutees regularly. The Personal Tutor will be the first point of call for monitoring overall academic progress and misdemeanours through the ISAMS system. The Red and Yellow Card system operates which is covered fully in the Progress, Target Setting, Tracking and Reporting Policy.
